

## When you are in a bind and stressed for time – direct ship right to your customer's door!

**MGM Brakes is pleased to offer our new “door-to-door” direct ship service.**

MGM Brakes is always looking for ways to improve our products and services and is excited to offer our new “door-to-door” direct ship service option that will allow you to ship MGM product directly to your customers without the hassle of you handling it.

All you have to do is place your order as normal with our Parts Distribution Center, let them know you would like to ship direct to your customer and for a 10% handling fee we will handle the rest.

The handling fee will be added to all non-emergency direct ship orders not shipping to an authorized branch location.

There will be no handling fee for direct ship orders in emergency situations. Emergency orders will consist of no more than four (4) spring brakes or service chambers and/or twenty-five (25) component parts and requires air delivery.
